

March 19, 2020

The Senior Center is currently closed to the public. WE ARE OPEN to deliver lunches and connect seniors with resources. We anticipate this will last through the end of April. We are following local, state and national advisories for minimizing person-to-person contact. **If you have any needs you cannot meet on your own, please reach out.**

Only staff are permitted inside the Senior Center at this time. Members of the public are encouraged to call the main number, (970) 920-5432 8:30 a.m.-4:30 p.m. Monday through Friday for assistance.

Home Delivered Meals continue to operate. Participants of the lunch program normally held at the senior center may also have meals delivered or arrange to pick them up.

More resources are being developed to help the community at this time. Please check [pitkinseniors.com](http://pitkinseniors.com), [pitkincounty.com/182/human-services](http://pitkincounty.com/182/human-services) or call (970) 920-5432 for up-to-date information.

The following are some steps our community can take to be informed and proactive:

- Subscribe to the Pitkin Alert text message updates by texting CVIRUS to 888-777.
- Questions about coronavirus? Call the Pitkin County Community Coronavirus Hotline at (970) 429-6186 or the state of Colorado COVID Helpline at 1-877-462-2911 or email [COHELP@RMPDC.org](mailto:COHELP@RMPDC.org).
- People who are symptomatic AND have traveled to affected areas or have been in contact with a known patient can call the CDPHE general epidemiology hotline # 303-692-2700. This line is staffed seven days a week at from 8:00 a.m.-5:00 p.m.

Please share this information with the older adult population, stay tuned to more emails and phone calls, and remember: wash your hands, cover coughs, and stay home unless absolutely necessary!
