Join accomplished photographer Mallorie Ostrowitz in her travels through France. The journey starts in Paris, and travels to Provence, Languedoc-Roussillon, Bordeaux, the Pyrenees, Aquitaine and Brittany. Experience the beautiful cities and countryside, landscapes and gardens, museums and historic sites that all make France unique and charming.

Mallorie got her first camera when she was ten. From then on, she has been chronicling the world around her. "For me, photography is not a literal translation of our world, but rather, a means of interpretation. When I slow down and take the time to look at closely at ordinary objects, I am in awe of all of the design possibilities."
